

Right now we're feeling suspended between what's happened and what's to come.

A maple leaf for Canada Day 2013.

A beaver for all the people who are working so hard to clean up and fix southern Alberta.

2013 Calgary Flood Mobile

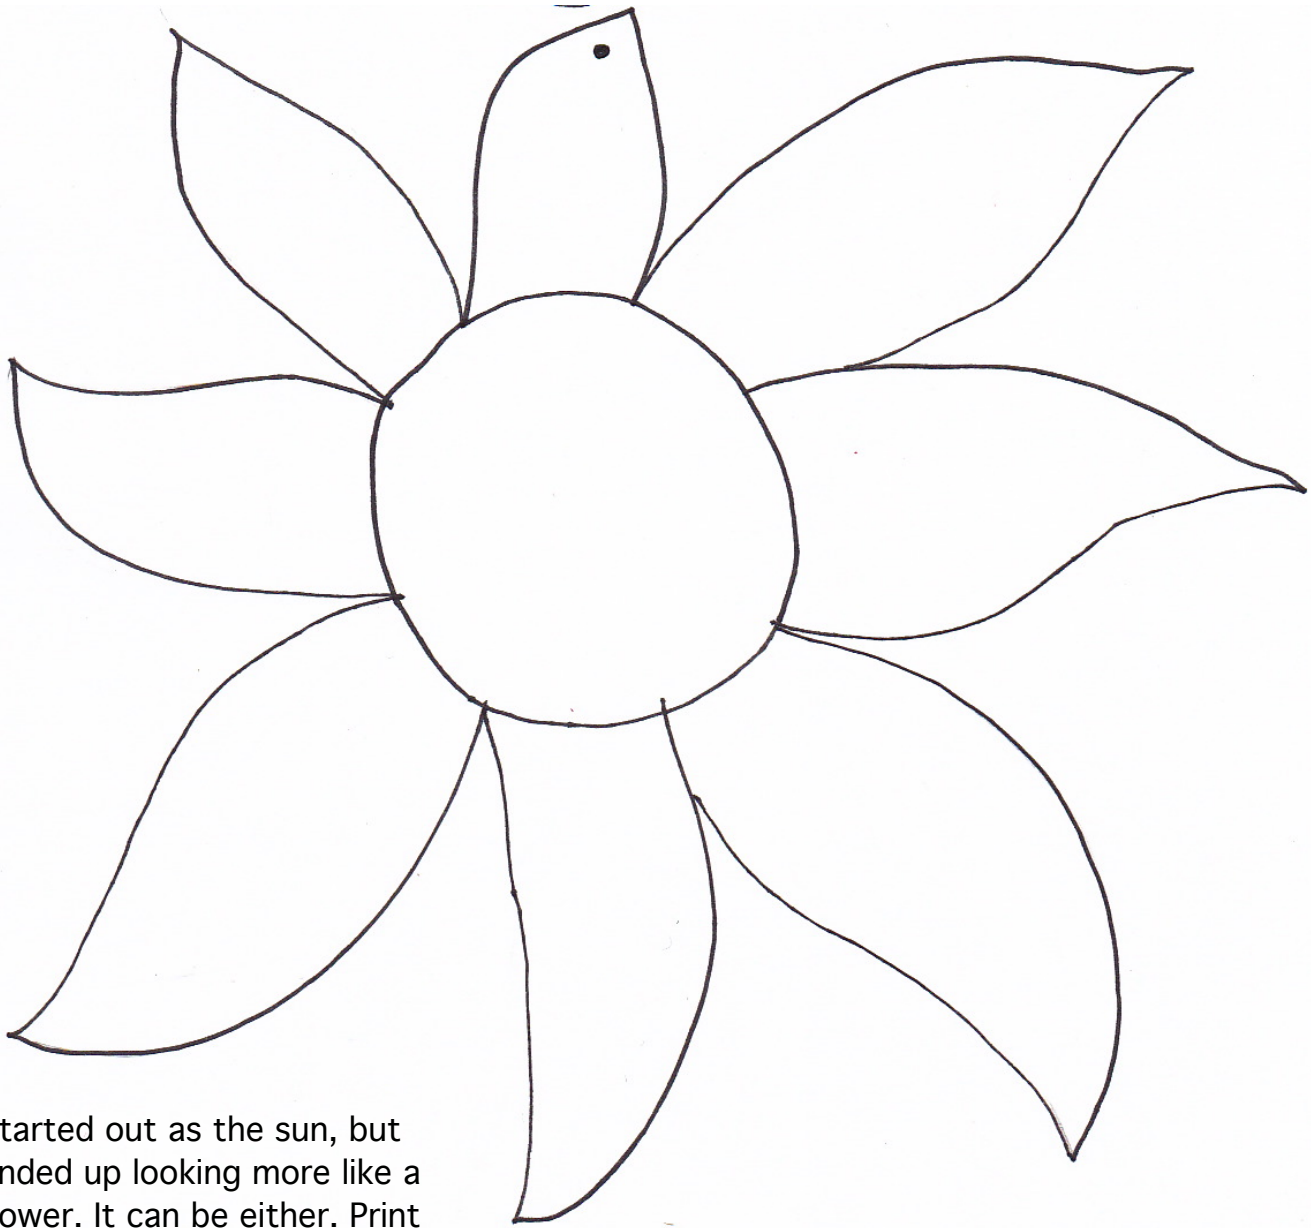

Print pages on cardstock. You can print pages more than once if you want more than one copy of a figure.

Color the figures, and add words of encouragement to yourself or someone else on the back..

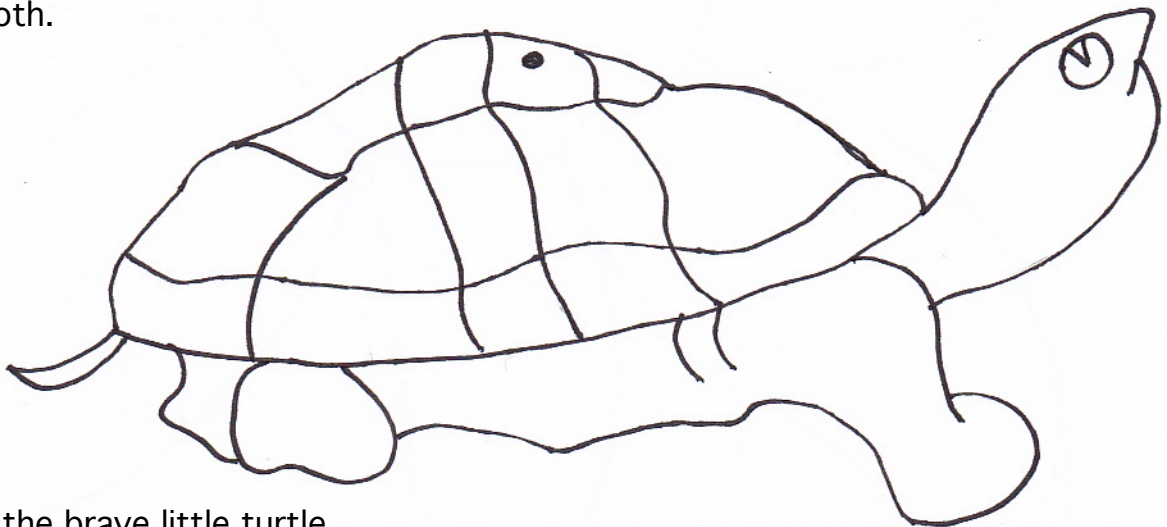

Cut them out. Punch small holes where black dots are. If you printed extra pages, add extra dots and holes.

Tie thread or fishing line through the holes.

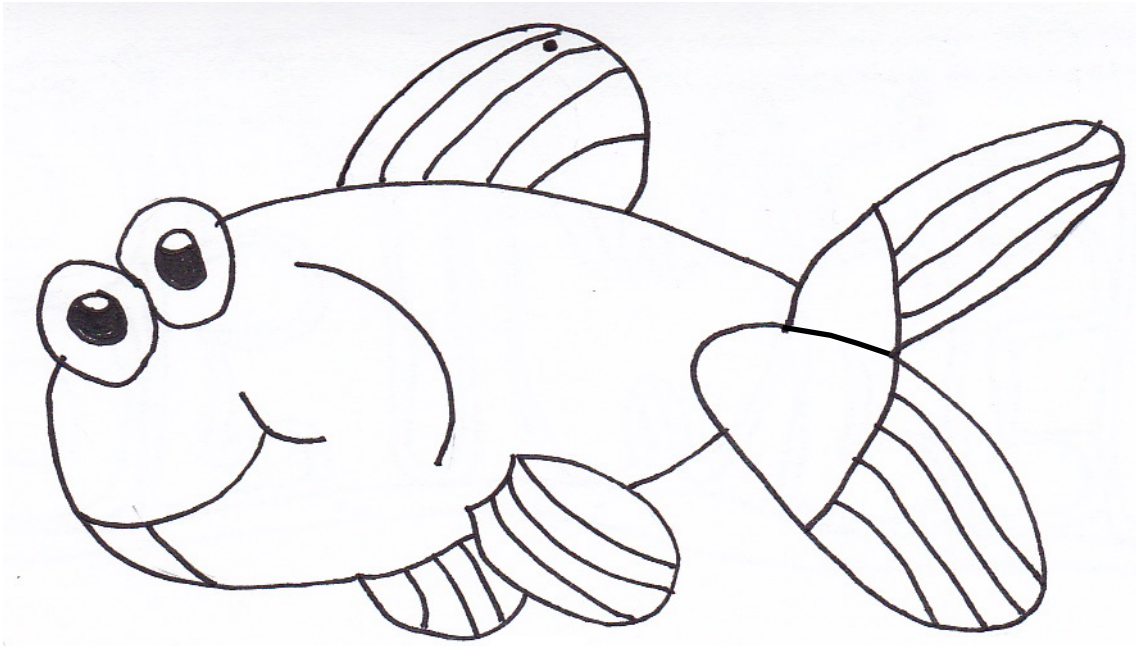

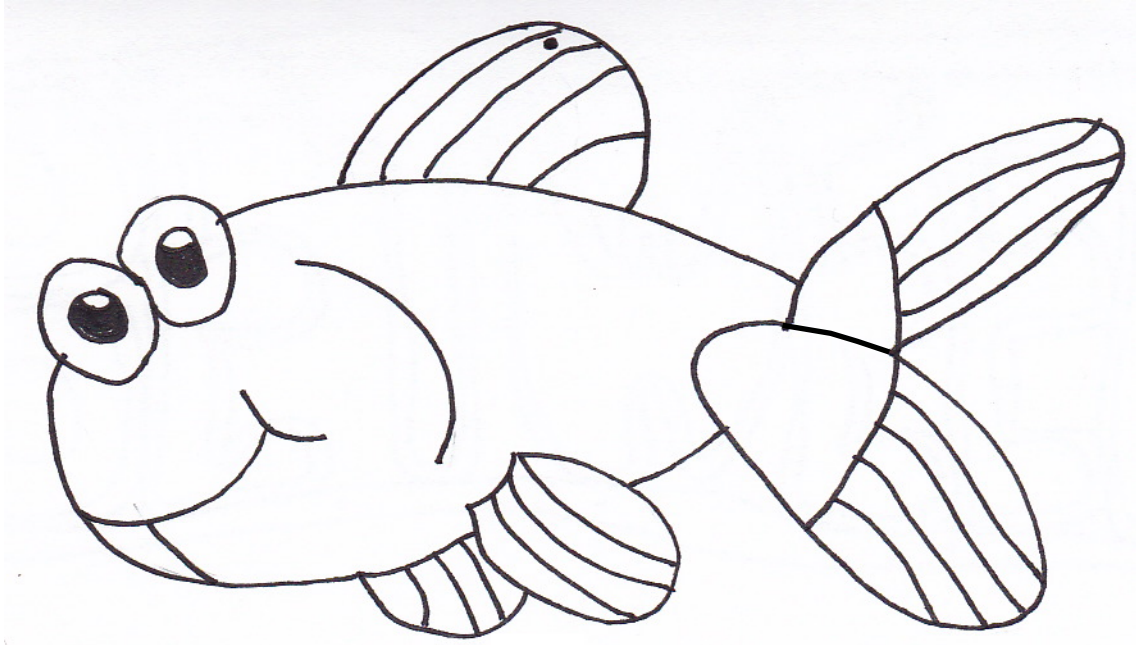

"Between" works well at the top of the mobile, but feel free to arrange the pieces in any way you want.

Started out as the sun, but ended up looking more like a flower. It can be either. Print more than one copy and you can have both.
